INTERVIEW WITH COOK

AL: Adam Ledyard (Director of Sports Information)
 JC: Jim Cook

AL: How do you feel about the upcoming season?
 JC: I feel very good about the team we have this year. We are looking to finish better than we did last year.

AL: How does your schedule look?
 JC: This year's schedule is harder than last year but we are planning on competing with every team.

AL: What impact will your seniors have on the team?
 JC: Each one of them will have to do their part for us to be successful.

AL: How are the newcomers adjusting to your program and how will they affect your program?
 JC: The players coming in this year will have to grow quickly and learn things fast. We are asking some of them to do some things that they are not use to doing. So far they're doing a nice job.

AL: How does the CCAC look this year?
 JC: Most of the teams have everyone back and have added a few new players so the conference will be very competitive again.

AL: What is one thing you are looking forward to this year?
 JC: The girls building healthy relationships with each other and growing in their faith.

AL: What is something your team is improving on from last year?
 JC: Taking care of the basketball and rebounding better.

AL: Who are your top returners and how will they lead the team?
 JC: All the players will play an important part of this season.
